

# Alexis Bonhomme

## 3D ANIMATOR & FACIAL ANIMATOR

Eligible to work in Canada  
Eligible to work in the European Union  
English, French

### EXPERIENCE

#### Facial Animator

Weta FX

Jul 2023 - Nov 2025

*Avatar: Fire and Ash (2025)*

*Kingdom of Planet of the Apes (2024)*

- Facial animation using FACS and APFS rigs on productions including Avatar: Fire and Ash and Planet of the Apes.
- Retargeted facial mocap solves to production rigs and enhanced performances with keyframe animation.
- Applied FACS-based knowledge to animate within the APFS facial system, a unique Wētā FX pipeline.
- Coordinated with body animation to maintain cohesive performances.

#### Lead Animator

Star Wars Theory

Jun 2024 - Today

*Vader 2 (2026)*

- Led a team of animators and oversaw the final animation in collaboration with the project lead
- Created vfx pipeline using Prism to allow the project to have a real studio's work environment
- Contacted voice actors and help them directed their performance to fit the project's lead vision.
- Worked with FACS consultants and Rig lead to create believable FACS puppet and deliver high quality performances

#### Character Animator

DNEG

Oct 2021 - Jun 2023

*Coyote vs ACME (2026)*

- Translating 2D drawings from Looney Tunes artists into 3D animation while maintaining the stylized posing, timing, and exaggeration of the original design language. Made vfx plate to integrate the stylized characters in the shot

*Nimona (2023)*

- Character and Creature work on a feature animation pipeline

*School for Good and Evil (2022)*

- FACS-based work

*Meg 2 (Previz, 2023)*

- Previz work on Meg 2: The Trench to support early shot development

### EDUCATION

#### Certificate of 3D Animation

*Animschool Class 1 to 7*

2019 - 2021

#### Master's Degree - Multimedia Project Manager

*Ynov Aix Campus, Aix en Provence, France*

2014 - 2019
